## BEST STORY ON BRITISH COLUMBIA

### Enter for a chance to win an exclusive Forage & Feast getaway in Richmond, BC.

**DAY 1:** Your private fishing charter departs historic Steveston Village, once nicknamed "Salmonopolis". Spot seals, sea lions, eagles and Orcas before returning to Steveston and enjoying a wharfside dinner for two with a special menu that features your very own catch of the day.

**DAY 2:** One of Richmond's acclaimed dim sum chefs invites you into the kitchen for a hands-on cooking class where you'll learn secret techniques, tips and tricks. Then, sit back and enjoy a taste of some of the most authentic Asian food in North America -- with a population that's more than 60 percent Asian, Richmond is famously home to the best Chinese food outside of China.

**Day 3:** Depending on the season, you may find yourself waist-deep in a flooded cranberry bog or harvesting honey from the hive. End the day feasting on a specially prepared meal in a locavore's paradise, Terra Nova Rural Park.

**All this plus four nights in luxury accommodations, return airfare, all meals, and activities, for you and a guest.**
